EDUCATION

University of California, San Diego

June 2021

B.S. Cognitive Science, specialization in Design and Interaction

EXPERIENCE

Freelance UX + UI Designer

August 2021 – Present | Santa Cruz, Ca

- Currently working with multiple clients to design or redesign their websites
- Performing UX audit: reviewing and revising information architecture/hierarchy and user flows, conducting competitive analysis and user interviews, building wireframes

Academy of Neuroscience for Architecture, Lead UX Designer

January 2021 – March 2021 | UC San Diego

- Guided a team of 4 to conduct iterative design to design a new site for an international academic organization
- Performed competitive analysis and created user personas, use cases, a site map, and interactive wireframes and prototypes for mobile&desktop
- Led weekly meetings with our client, ANFA President, to define project requirements, scope, milestones, and review deliverables
- Conducted 17 user interviews yielding wide-ranging feedback, and evaluated commonalities to determine the MVP feature set

Discord Redesign Case Study, UX Designer

September 2020 – December 2020 | UC San Diego

- Redesigned Discord with a focus on user centered design to be better suited for organizational use by creating a customizable calendar, admin page, resource page, and more easily accessible settings
- Conducted research through user interviews & a competitive audit and created user personas and UI sketches
- Designed the interactive features on Figma, extensively user tested each feature to drive iterative design

ACTIVITIES

Engineers for a Sustainable World | UCSD Chapter

September 2017 – June 2021

Solar Light Project Lead

September 2019 – March 2020

- Led a team of 6 students to perform site surveys and to CAD electrical and mechanical schematic packets for the installation of a solar panel and light system

Vice President of Community Affairs

April 2018 – March 2019

- Planned, coordinated and executed events for ESW's 200+ members
- Monitored/posted on social media, created graphics and power points
